FUNDRAISING EVENT FOR YOUR SCHOOL @ GORDONS GYMNASTICS CLUB

An essential part of early childhood development is being physically active and learning through movement. Gordons Gymnastics Club is a motivational environment with a safe and supervised facility with a focus on education, health and fitness with a variety of programs.

As part of our awareness campaign we offer an easy fundraising opportunity for pre-schools and nursery schools.

Our gymnastics club is available some mornings. Fun-filled activities are facilitated by our qualified coaches with free play included.

A 60-90 minutes session will include fundamental gross motor skills, dominant movement patterns, trying basic skills with and without gymnastics apparatus, built-in trampoline, safety pit, bars and ropes to swing and hang on...

You may charge a fee of your choice per participant and keep the income of the event for your benefits. Your school can book a date and time with us at **NO COST!**

Use this opportunity as an educational outing with a benefit of not only exploring movement vocabulary through fun, but raising money for your school.

Venue: GORDONS GYMNASTICS CLUB, HILL PARK LANE, MOWBRAY
Times: Between 09:00-12:30 – day negotiable
Fee: **FREE**
Contact: 021 686 9213/082 545 6675 / info@gordonsct.co.za
